Tune Uke Key D

A D F# B

Moderato

Piano introduction in D major, 4/4 time, marked Moderato. The piece begins with a forte (f) dynamic. The right hand features a series of chords and moving lines, while the left hand provides a steady bass accompaniment.

4. In a loony asylum one day I looked round
 One patient was fairly potts,
 She clung round my neck and whispered to me
 "The world's greatest sweetheart I happen to be"
 "I'm the Queen of Passion ye gods up above
 I'll prove the meaning of re-incarnation of love."

Chorus

Believe it or not, believe it or not
 I know they say I'm daft,
 She then called me her sheik, and bit me on the cheek,
 I said "That'll do, I don't believe you are really mad somehow"
 She locked me in a padded cell and messed me about
 She hugged and squeezed and loved me, I enjoyed it no doubt
 Next morning she kissed me and said as I staggered out
 "Perhaps you'll believe it now."

5. Some wives are so funny, they like to complain,
 Say they're ill when they're not.
 My wife's the same, thinks there's something amiss
 She's got this and that, and got that and this
 Last week she said, "There's trouble in store
 I've got a funny pain where I've not had one before."

Chorus

"Believe it or not, believe it or not
 I'm sure there's something wrong,"
 The doctor called last night, he said "My word it's right"
 I giggled and smiled, he got rather wild
 And said "It's true I vow."
 I said "I don't believe she's bad" to smile I contrived
 They called me up to see the wife, I knew she's survived
 She said "You've just been made a father, twins have arrived,
 Perhaps you'll believe it now."
